

The Ron Cisneros Musical Theatre Scholarship

Since 1990, River City Theatre Company has provided young people with the opportunity to develop skills, confidence and self esteem through learning all aspects of musical theater in a positive workshop environment. Besides regular performances, RCTC fieldtrip performances introduce thousands of school children to musical performing arts presented by their peers. Our mission also is to produce affordable family entertainment and cultivate community interest and support for live musical theater.

The Ron Cisneros Scholarship Fund was established in 1998 by Michael Müller and RCTC with the support of RCTC Family and Friends. Named for artistic Director Ron Cisneros, the scholarship is a helping hand to a child who has the potential to demonstrate excellence through this enriching musical theater program.
